Dear Year 3 Parents,

Term 4 courses will commence on **Saturday, 13th October 2018**.

Year 3 Term 4 courses are structured to accommodate the high academic standards expected of students who will sit for the Opportunity Class (OC) placement test in July next year.

In addition to having the advantage of getting ahead, we will put more focus on improving general ability and writing skills as well as reading comprehension and numeracy skills to maximise their marks.

WEMG Course

Year 3 WEMG course is designed to provide an advanced curriculum and involves a significant commitment to the module of work in Writing, English, Maths and General Ability.

In addition to having the advantage of getting ahead, WEMG course will help students build a solid foundation for next year's Opportunity Class Placement Test.

- Writing module provides the most efficient skills in organising writing structure with a focus on developing critical thinking and reasoning skills.
- English lesson will focus on reading skills and practising reading comprehension & multiple-choice questions.
- Mathematics lesson is the essential tuition for students to completely understand mathematical theories, principles and formulas to solve problems.
- General Ability lesson covers a variety of practical, challenging and mind-stimulating questions.

OC Foundation Course (OCFC)

A new Opportunity Class Foundation Course (OCFC) will be available in Term 4. It is a special course designed to maximise students' performance in the OC Placement Test next year.

Each week, students will be exposed to the different OC style question types, the best strategies, techniques and methods to work towards the correct solutions.

This course will provide students with a clear understanding of actual OC question types and specific tools to enhance their performance in the OC Trial Test Course (OCTTC) next year and ultimately the 2019 OC Placement Test itself. It will provide a very effective springboard for future success and placement in an Opportunity Class.

For more information about the OCFC and OCTTC, please read the 2018–2019 OCTTC newsletter.

Creative Writing Course

Year 3 Creative Writing Course will support students' development of technical and creative writing skills.

It will cover areas including grammar, spelling and punctuation that pertain to specific text types as is required in the children's current English Curriculum.

This course will assist children to develop their narrative, descriptive, persuasive and explanatory writing skills so they can become proficient writers across all key learning areas.

Throughout our creative writing course, students will learn how to develop and improve their individual skills in:

- * Their general knowledge * Syntax * Grammar * Text structure
- * Use effective vocabulary * Spelling * Punctuation * Sentence structure

The aim of this writing course is to target students' individual needs in writing so they can become more confident, capable and proficient writers.

It will assist students with their individual performance in all written tasks in the classroom as well as formalised tests such as NAPLAN and ICAS competitions.
