Selective Trial Test Course (STTC)

The Selective Trial Test Course (STTC) is a comprehensive programme designed for students to prepare them for the Selective High Schools Placement Test in 14th March 2019.

The course allows students to practise exam style questions under the same test conditions. By sitting for Pre-Uni New College Selective Trial Tests, students will systematically revise the entire course and be confidently prepared for the actual test in March next year.

Students will attempt our trial test papers every week (General ability & Maths tests in one week, Reading, Vocabulary & Writing tests in another week). The individual test reports will provide with the information of their marks, areas of strength and weakness for further improvements.

The STTC will help students to manage their test time efficiently, minimise errors, overcome exam nerves and perform at their optimum level under exam conditions. This excellent course brings us an outstanding success rate in the selective high school placement tests every year.
