The 29th ASAT (Sunday, 6th February 2022)

The 29th ASAT (Australian Selective Achievement Test) will be held on Sunday, 6th February 2022.

The ASAT trial exam is superior to other practice exams in producing up-to-date questions and implementing exam information upgrades parallel to that of the actual selective school placement test. It will provide an opportunity for students to gain a measure of their current achievement level under the exam conditions. Participants will be provided with the estimated profile score (out of 120) and rank as well as other information about their achievement level. Please check out the event details below.
