Year 5 Standard WEMT rewriting service at the Cyberschool

To make students engage more deeply with the WEMT writing modules, Year 5 writing lesson format has been updated from 2021 Term 2 as below.

- ✚ WRITING WEEK (weeks 1, 3, 5...): Students complete their writing module in class under teacher’s guidance and submit for teacher’s marking and feedback.
- ✚ LESSON & REVIEW WEEK (weeks 2, 4, 6...): Teachers return the marked writing to students with feedback. They then discuss more in-depth with students using the review module.

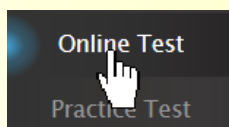

In addition to writing activity in class, Cyberschool will provide Year 5 Standard WEMT students with a new online rewriting service from this term. Students are encouraged to use this new service to get more feedback on their writing for further improvement.

What is the Year 5 Standard WEMT rewriting?

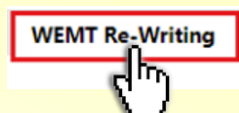

After reviewing the previous week’s writing module with your teacher, you can attempt the same module task again at home. Log in to Cyberschool and submit your rewriting by the due date. Your teacher will then assess it and provide additional feedback.

Q. After submitting my rewriting, how can I check the outcome?

A. Once your teacher finished the assessment of your rewriting (usually 1 week later), you can check it at 'My Result' page. See the sample screenshot below.
