What is Year 6 Standard WEMT Re-Writing?

To make students engage more deeply with the WEMT writing modules, Year 6 writing lesson format has been updated as below.

- **WRITING WEEK** (weeks 1, 3, 5...): Students complete their writing module in class under teacher’s guidance and submit for teacher’s marking and feedback.
- **LESSON & REVIEW WEEK** (weeks 2, 4, 6...): Teachers return the marked writing to students with feedback. They then discuss more in-depth with students using the review module.

In addition to writing activity in class, Cyberschool will provide Year 6 Standard WEMT Advanced students with a new online rewriting service from this term. Students are encouraged to use this new service to get more feedback on their writing for further improvement.

After reviewing the previous week’s writing module with your teacher, you can attempt the same module task again at home. Log in to Cyberschool and submit your rewriting by the due date. Your teacher will then assess it and provide additional feedback.

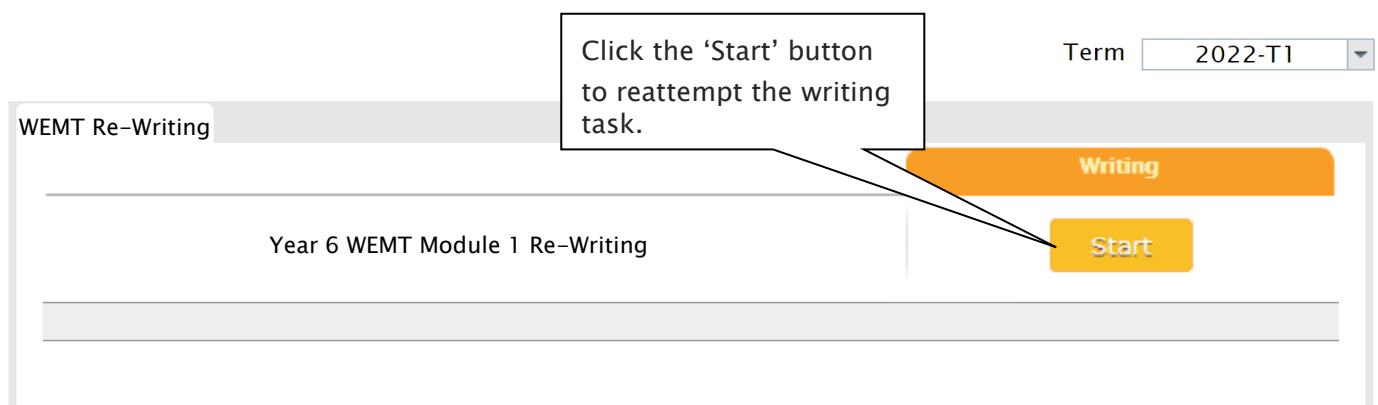

How to Do WEMT Re-Writing

1. Go to ‘Online Test’ below ‘My Test’ on the top menu bar.
2. [Fig. 1] Click ‘WEMT Re-Writing’ tab at the top of the test window. Click ‘Start’ button under Writing to begin writing.
3. Read the instructions and when you are ready, click ‘Start.’

What is the Online Term Test and Test Review?

Year 6 WEMT course students will take the term tests in week 8 of each term. Term test is for assessment and subsequent reporting — generating valuable feedback for students and parents, this also will be the only indicator of next term’s class allocation.

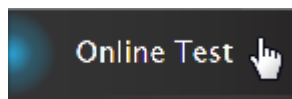

Students must complete all tests within the test opening period as there will be NO catch-up tests available after the test period.

Term test reports will be sent out to the parents by email at the end of the term. The report contains the information about total marks, achievement level (position), comprehensive comments on each test component and students’ Special Online Quiz (S.O.Q) scores. Students must complete all S.O.Q by Week 9 to make the scores available on their report.

Students can access the term test review service during the first week of each school holiday period and review the (max 10) Maths and Thinking Skills term test questions they missed. They are encouraged to revise all questions it provides and build up a solid foundation before their next term’s studies.

Term Test Review – FAQ

Q. When can I see the questions after the term test?

A. The term test review service will be available during the first week of each school holiday period (Mon–Sun). Please don't miss out the service during the first week of each school holiday.

Q. I can't see any question. What's the problem?

A. The service retrieves the questions you incorrectly answered in the Maths and Thinking Skills tests. Therefore, if there is no test result of you (i.e. you didn't take the test or your test hasn't been marked yet.), it does not show any question.

Q. I can't find the question I want to see.

A. It shows maximum of 10 questions based on your term test result. If you missed out more than 10 questions, the hardest 10 questions are selected for your review. If the question you want to see is not harder than the chosen 10 questions, it will not appear.

Q. When I click the 'My Result' menu, it says 'no result available'.

A. My Result service is available during the term test review period only. When the review period has expired, it's not accessible.

STTC Review & Test Result– FAQ

Q. How long can I see the questions once they become available?

A. The questions of each test are available to review for **fourteen (14) days only** – from the following week of the each test starting date.

Q. I can't see any questions. What's the problem?

A. The service automatically retrieves the M.R./T.S. questions you incorrectly answered in the recent STTC session, unless you didn't attend the test, or the test results haven't yet been recorded.

Q. I can't find the question I want to see.

A. It shows maximum of 10 Mathematical Reasoning and 10 Thinking Skills questions based on your actual test result. If you missed out more than 10 questions in each test, the hardest 10 questions are selected for your review. If the question you want to see is not harder than the chosen 10 questions already provided, it will not appear.

Q. Can I see the questions from earlier tests?

A. The service only provides the recent STTC questions. The 14-day review policy will be strictly implemented, so please don't miss out the review service each test within its review period.

Q. Can I see the questions from English test?

A. Only top 5 students' writing with teacher's comment is available to view. By comparing the top 5 students' writing with teacher's comment, you can improve your writing. Please read teacher's comment why those 5 students' writing is selected as the top writings.

Q. I can see my test score, but not my rank.

A. Your rank will be shown after gathering all other students' results, which usually takes one week of the test. Please check again on the following Saturday.

Q. When can I get my overall ranking and overall score?

A. To be able to produce the correct overall score and ranking, we need to collect all test scores (Reading, Writing, Mathematical Reasoning and Thinking Skills) from all STTC students. Therefore, it usually takes two weeks. Please check them out two weeks later after your test.

Q. My Mathematical Reasoning score is 24. Does it mean I got 24% correct answers?

A. No, it's your raw (original) test score – number of questions you answered correctly in the test. So, your Mathematical Reasoning score 24 means you got 69% (24 out of 35) correct answers.

Q. How was my overall score calculated?

A. Overall score (Maximum score: 100) = Reading (25%) + Writing(15%) + M.R.(25%) + T.S.(35%)

Q. Can I use the overall score to estimate my actual placement score?

A. The actual placement score is complex and require many calculations including test score scaling and moderation of school assessment scores. Your STTC test scores are not scaled and your overall score doesn't count your moderated school marks. Therefore, you cannot directly compare those two marks.

Q. I discontinued my STTC. Can I still access my previous STTC results online?

A. No, it's only available during your STTC enrolment period. When you resume your STTC, it will become available again.

This lesson video will explain how to pinpoint the writing instructions, plan your writing, keep it structured and get the highest mark.
