Welcome to Pre-Uni New College Cyberschool!

Cyberschool is a special e-learning website (www.cyberschool.com.au) hosted by Pre-Uni New College and provides the extensive educational services to help students revise their entire Pre-Uni New College class work. Students can register for their own Cyberschool account to access its services.

Services vary depending on the course registered, and each service has its due date so students should enjoy all provided services until expiry as there is no extension.

Once registered Year 4 WEMT Course, students can:

- download **Module Answers** until the last day of next holiday.
- watch **Video Lessons** for revision within given period.
- access **Live Webinar** session for revision.
- try online quizzes (**S.O.Q**) to revise their module concepts during the term.
- try weekly **Vocabulary Tests** to assess knowledge of the meaning and use of the words during the term.
- try weekly **TS/MR Homework Questions** for extra practice during the term.
- attempt online **Term Test** on Week 8, download **Term Test Report** during the **Term Test Review** period and review up to 10 questions missed in Maths/TS term tests.
- try **GA Practice for Scholarship Test** and **Reading 310** for more practice during the term.

Once registered Year 4 OCTTC Course, students can:

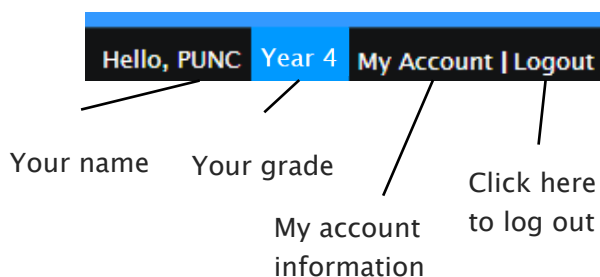

- try weekly **Reading/TS/MR Practice Questions** for extra practice during the term.
- review up to 10 questions missed in MR/TS tests the following week.
- try **GA Practice for Scholarship Test** and **Reading 310** for more practice during the term.

How can I get my Cyberschool account?

1. Go to www.cyberschool.com.au.
2. Click 'Register' on the top right corner of the main page.

3. Enter your student id number, date of birth and email address in the registration fields. Click the 'Submit' button.
4. Once you have submitted, you will be given a verification email, where it will contain the activation link.
5. Check your email inbox to find the verification email from the Cyberschool team. **If you can't find it in your inbox, check the junk folder. It will be there, if so, unmark it as junk.**
6. Click on the activation link. **If the link doesn't work, copy and paste the link into the address bar of your internet browser and press the enter key.**
7. The link will open a window for password creation (Sign Up) page. Enter your desired password twice in the following fields and click Submit.
8. Once registered, you will be logged into the site. The login status bar is located on the top right of the page which looks like Fig 1 below. If you want to log out, click 'Logout'.
9. Next time you want to log in, click 'Login' and enter your student number and password.

I forgot my password.

1. Click 'Login' at the top right of the page.
- 
2. Click 'Forgot your password?' menu next to the Login button.
 3. Enter your student id number, date of birth, email address and click 'Submit'.
 4. Check your email account for your temporary password.
 5. Log on to the Cyberschool with your temporary password.

How can I change my password?

1. Log on to the Cyberschool and click 'My Account' on the top right corner of the main page.
- 
2. Click 'Change my password' menu and enter new password twice then click 'Submit'.
 3. A confirmation message will appear.

3. Each Video Lesson will be available for **three weeks** from every Saturday for the corresponding module.

What is Live Webinar?

For revision of each module studies, Year 3–5 WEMT course students (both Standard and Cyber options) will be able to attend Live Webinar session every week Tuesday until Week 10. The lesson registration link will be activated every Saturday and lesson will be provided on Tuesdays.

What is S.O.Q?

The **S.O.Q** (Special Online Quiz) service will enable students to practise their revision questions online at their own pace.

4 quizzes will be uploaded in weeks **2** (Modules 1&2), **4** (Modules 3&4), **6** (Modules 5&6) and **8** (Modules 7&8) of the course. Each quiz will have 10 Maths, 10 English and 10 Thinking Skills questions. Although it is not compulsory, we encourage students to complete all S.O.Q to build up a solid foundation in each area.

The **Special Online Quiz** will expire at the end of every term. Please note the date and remember to access them when available.

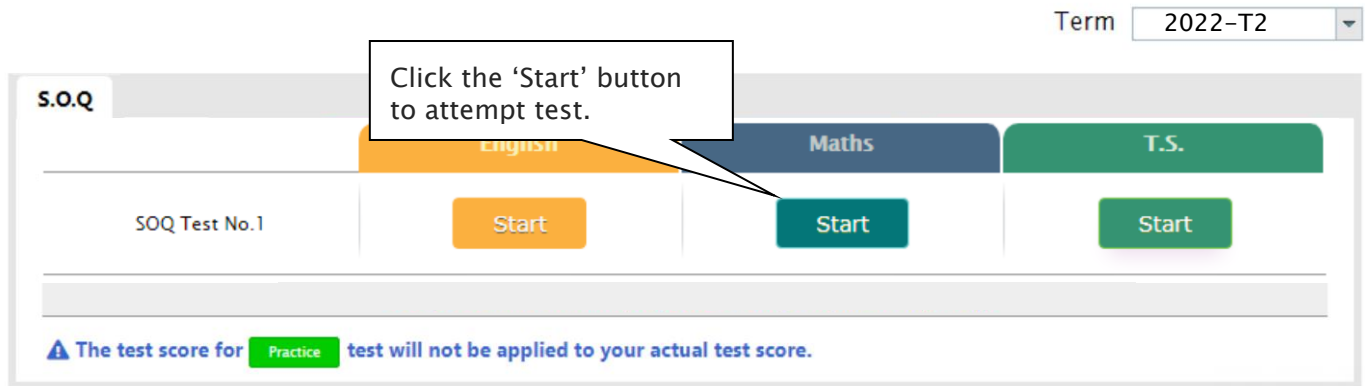

How to Do S.O.Q

1. Click the 'S.O.Q' below 'My Test' on the top menu bar.
2. **[Fig. 1]** Click 'Start' button on the subject you want to attempt.
3. Read the instructions and when you are ready, click 'Start'.

What is Vocabulary Test?

Building a strong vocabulary is critical as it improves all areas of communication and leads them to succeed in future selection tests like OC and selective high school exam. Students with high vocabulary skills tend to have high comprehension scores in English and thinking skills tests.

For these reasons, Cyberschool is offering students the online vocabulary test each week. Students study and memorise a set of word list in the Vocabulary Skills module during the week and take the test to assess their knowledge of the meaning and use of those words.

The **Vocabulary Test** will expire at the end of every term. Please note the date and remember to access them when available.

How to Do Vocabulary Test

1. Click the 'Online Test' below 'My Test' on the top menu bar.
2. [Fig. 1] Click 'Start' of each module's test.
3. Read the instructions and when you are ready, click 'Start.'
4. The questions will appear on the screen. When you finish all the questions, click the 'Finish' button at the bottom right corner.
5. [Fig. 2] Go to 'My Result' below 'My Page' menu bar to view your results and worked solutions.
6. [Fig. 3] Test results and review service are accessible at 'Online Test' section as well.

What is TS/MR Homework Question?

For more practice on Mathematical Reasoning and Thinking Skills, Year 4 WEMT course students will be able to attempt 5 questions each as a homework every week until Week 10. The **TS/MR Homework Question** will expire at the end of every term. Please note the date and remember to access them when available.

Five (5) sets of revision tests will open during the school holiday period, to support our WEMT students' continuing studies. These revision tests are designed to help students revise the previous mathematical reasoning and thinking skills topics and prepare for their next term WEMT studies.

What is the Online Term Test and Test Review?

Year 4 WEMT course students will take the term tests in week 8 of each term. Term test is for assessment and subsequent reporting — generating valuable feedback for students and parents, this also will be the only indicator of next term's class allocation.

Students must complete all tests within the test opening period as there will be NO catch-up tests available after the test period.

Term test reports will be sent out to the parents by email at the end of the term. The report contains the information about total marks, achievement level (position), comprehensive comments on each test component and students' Special Online Quiz (S.O.Q) scores. Students must complete all S.O.Q by Week 9 to make the scores available on their report.

Students can access the term test review service during the first week of each school holiday period and review the (max 10) Maths and Thinking Skills term test questions they missed. They are encouraged to revise all questions it provides and build up a solid foundation before their next term's studies.

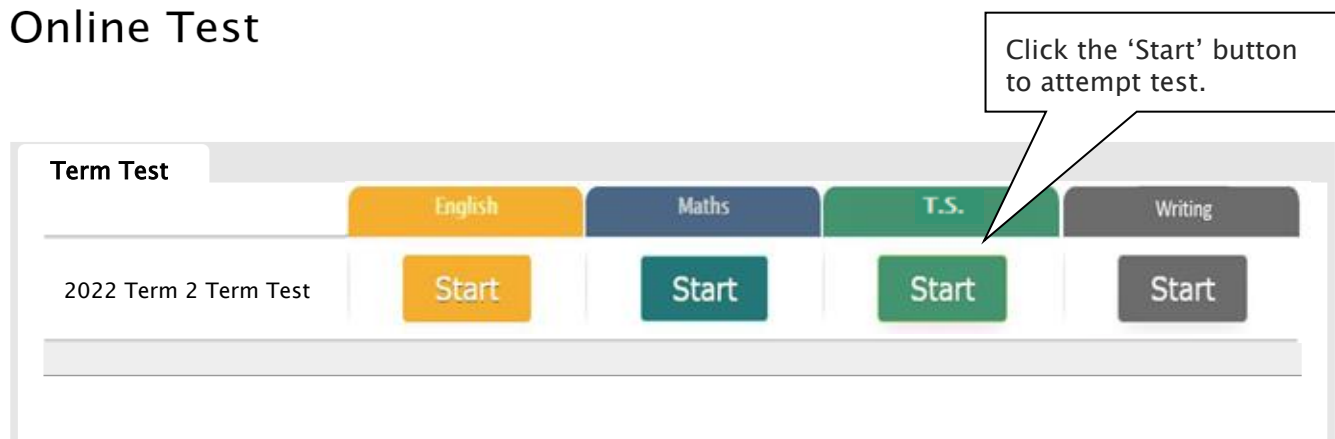

How to Complete the Online Term Test

1. Login to the Cyberschool during the online term test period.
2. Move your mouse cursor on the 'My Test' menu and click 'Online Test'. Click 'Term Test' tab at the top of the screen.
3. [Fig. 1] You will then see the test subjects and start buttons like below. Click 'Start' button to begin the test.
4. Read the test instruction and when you're ready, click 'Start' at the bottom of the screen.
5. Read each question carefully and show your answer using the mouse.
6. When you completed the test, click 'Finish' button at the bottom right corner.

Term Test Review – FAQ

Q. When can I see the questions after the term test?

- A. The term test review service will be available during the first week of each school holiday period (Mon–Sun). Please don't miss out the service during the first week of each school holiday.

Q. I can't see any question. What's the problem?

- A. The service retrieves the questions you incorrectly answered in the Maths and Thinking Skills tests. Therefore, if there is no test result of you (i.e. you didn't take the test or your test hasn't been marked yet.), it does not show any question.

Q. I can't find the question I want to see.

- A. It shows maximum of 10 questions based on your term test result. If you missed out more than 10 questions, the hardest 10 questions are selected for your review. If the question you want to see is not harder than the chosen 10 questions, it will not appear.

Q. When I click the 'My Result' menu, it says 'no result available'.

- A. My Result service is available during the term test review period only. When the review period has expired, it's not accessible.

A red box with an arrow points to the 'Term Test Review' link in the navigation bar, containing the text: 'Move your mouse cursor to this menu and click 'Term Test Review'.' Below the title, a red box with an arrow points to the 'Maths' link, containing the text: 'Click the test subject you want to revise.' The main content area displays a table of incorrect answers from a recent trial test. A red box with an arrow points to the first row of the table, containing the text: 'Click the question number you want to see the question.' To the right of the table is a pie chart showing the percentage of students who answered the selected question correctly. A red box with an arrow points to the pie chart, containing the text: 'This chart shows the % of students who answered the selected question correctly.' Below the table and chart, a red box with an arrow points to the question content area, containing the text: 'The question you select will appear on this pane.' The question content area shows a clock face and four multiple-choice options: A. 6:30, B. 10:11, C. 10:30, and D. 11:30. The bottom of the page features a 'Flag' button and a 'Next' button.

OCTTC Review & Test Result– FAQ

Q. How long can I see the questions once they become available?

A. The questions of each test are available to review for **seven (7) days only** – from the following week of the each test starting date.

Q. I can't see any questions. What's the problem?

A. The service automatically retrieves the M.R./T.S. questions you incorrectly answered in the recent OCTTC session, unless you didn't attend the test, or the test results haven't yet been recorded.

Q. I can't find the question I want to see.

A. It shows maximum of 10 Mathematical Reasoning and 10 Thinking Skills questions based on your actual test result. If you missed out more than 10 questions in each test, the hardest 10 questions are selected for your review. If the question you want to see is not harder than the chosen 10 questions already provided, it will not appear.

Q. Can I see the questions from earlier tests?

A. The service only provides the recent OCTTC questions. The 7-day review policy will be strictly implemented, so please don't miss out the review service each test within its review period.

Q. When can I check my test scores?

A. Students who attended Tuesday or Wednesday OCTTC can check their recent test scores from the next day of the test. Saturday and Sunday OCTTC test scores will be available from the following Tuesday after 1pm.

Q. I can see my test score, but not my rank.

A. Your rank will be shown after gathering all other students' results, which usually takes one week of the test. Please check again on the following Saturday.

Q. My Mathematical Reasoning score is 28. Does it mean I got 28% correct answers?

A. No, it's your raw (original) test score – number of questions you answered correctly in the test. So, your Mathematical Reasoning score 28 means you got 80% (28 out of 35) correct answers.

Q. I discontinued my OCTTC. Can I still access my previous OCTTC results online?

A. No, it's only available during your OCTTC enrolment period. When you resume your OCTTC, it will become available again.

Below is the Overall Cyberschool Service Schedule for 2022 Term 2 OCTTC Course.

What is GA Practice for Scholarship Test?

GA Practice for Scholarship Test is a new online self-paced test practice that is designed for students who want to build a solid foundation for general ability skills, especially for the preparation of the AAS, ACER or Edutest private school scholarship tests.

The tests cover both verbal and non-verbal reasoning skills and each section is categorised into a comprehensive number of question types. By taking this tests, students will be able to do thorough study of almost all possible question types and complete a variety of practical, challenging and mind-stimulating questions.

Students currently taking our regular term course in NSW can take this course for free until the next term begins.

What is Reading 310 Test?

Reading 310 Test is a new online self-paced test practice that is designed for students to help them enhance their reading comprehension skill for the preparation of selection tests like OC, selective school placement and private school scholarship tests.

Each test contains a comprehensive number of reading questions covering inference skills for reading with short passage, true/false, gapped texts etc. Students can log in to Cyberschool and attempt up to 10 tests during the term. By completing tests, students will be able to do thorough study of important question types and complete a variety of challenging reading skill questions.

Students currently taking our regular term course in NSW can take this course for free until the next term begins.
