Question & Answer

Q. I can't see any question. What's the problem?

A. It retrieves the questions you answered incorrectly in the test. Therefore, if there is no test result (i.e., you didn't take the test or your test hasn't been marked yet.) or if your answers were all correct, it will not show any question.

Q. I can't find the question I want to see.

A. It shows maximum of 10 questions per test based on your test result. If you missed out more than 10 questions, the hardest 10 questions will be selected for your review. If the question you want to see is not harder than the chosen 10 questions, it will not appear.

Q. When I click the 'Term Test Review' menu, it says 'There is no review at this time'.

A. The term 3 test review will be available only during the first week of spring school holiday period from Monday, 26th September to Sunday, 2nd October.
