What is the Online Term Test and Test Review?

Year 2 WEMG course students will take the term tests in week 8 of each term. Term test is for assessment and subsequent reporting — generating valuable feedback for students and parents, this also will be the only indicator of next term’s class allocation.

Students must complete all tests within the test opening period as there will be NO catch-up tests available after the test period.

Term test reports will be sent out to the parents by email at the end of the term. The report contains the information about total marks, achievement level (position), comprehensive comments on each test component and students’ Special Online Quiz (S.O.Q) scores. Students must complete all S.O.Q by Week 9 to make the scores available on their report.

Students can access the term test review service during the first week of each school holiday period and review the (max 10) Maths and General Ability term test questions they missed. They are encouraged to revise all questions it provides and build up a solid foundation before their next term’s studies.

Term Test Review – FAQ

Q. When can I see the questions after the term test?

A. The term test review service will be available during the first week of each school holiday period (Mon–Sun). Please don’t miss out the service during the first week of each school holiday.

Q. I can’t see any question. What’s the problem?

A. The service retrieves the questions you incorrectly answered in the Maths and General Ability tests. Therefore, if there is no test result of you (i.e. you didn’t take the test or your test hasn’t been marked yet.), it does not show any question.

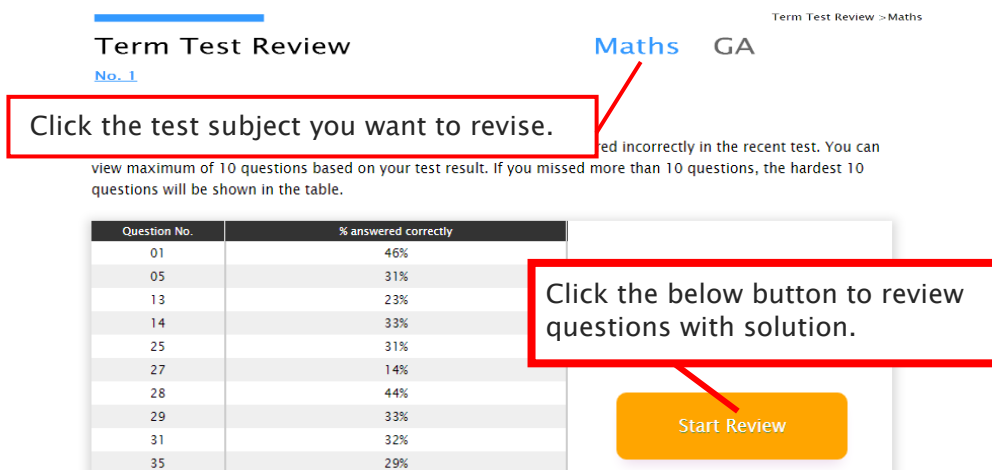

Q. I can’t find the question I want to see.

A. It shows maximum of 10 questions based on your term test result. If you missed out more than 10 questions, the hardest 10 questions are selected for your review. If the question you want to see is not harder than the chosen 10 questions, it will not appear.

Q. When I click the ‘My Result’ menu, it says ‘no result available’.

A. My Result service is available during the term test review period only. When the review period has expired, it’s not accessible.
