Year 2 WEMG Course

The Year 2 WEMG course demands a substantial weekly workload in the areas of writing, English, mathematics, and general ability, reflecting the advanced nature of the curriculum. In addition to offering students the advantage of staying ahead of their peers, this course prepares them for the Opportunity Class Placement Test.

The writing module of the course emphasizes organizing writing structures and enhancing critical thinking and reasoning skills. The English lessons focus on improving reading skills, with an emphasis on practicing reading comprehension and answering multiple-choice questions. Mathematics lessons are crucial in helping students thoroughly understand mathematical theories, principles, and formulas to solve problems. The General Ability lesson features a diverse array of thought-provoking and challenging questions that test both verbal and non-verbal reasoning skills.

Students have the option to choose the WEMG course that best suits their needs:

Standard WEMG (Face-to-face learning)	Cyber WEMG (Self-paced learning with VOD lesson)
Face-to-face learning with teachers in class & access all Cyberschool services	Self-paced learning from home using pre-recorded Cyberschool video lessons
