Year 3 WEMT Course

The Year 3 WEMT course will feature new and revised modules, requiring a substantial weekly commitment to lay a strong foundation for the 2024 OC placement test. The writing module will delve into the most effective methods for organizing writing structure, with an emphasis on cultivating critical thinking and reasoning abilities. The English component will concentrate on reading proficiency, offering opportunities for practicing reading comprehension and answering multiple-choice questions. Mathematics lessons will provide students with a comprehensive understanding of mathematical theories, principles, and formulas to tackle problems with confidence. The thinking skills segment will challenge students with a range of stimulating and practical problem-solving and critical thinking exercises. Based on their needs, students may choose from the following WEMT course options.:

Standard WEMT (Face-to-face learning)	Standard WEMT (Live Zoom lesson)	Cyber WEMT (Video lesson)
Face-to-face learning with teachers in class & access all Cyberschool services	Live zoom lessons from home with teachers & access all Cyberschool services	Self-paced learning from home using pre-recorded Cyberschool video lessons
