2024 Term 1 begins on Saturday, 27th January. Year 5 (in 2024) Term 1 courses are designed to ensure that students meet the high academic standards expected for the 2024 NAPLAN and the 2025 selective school and independent school scholarship exams. Starting in Term 1, Year 5 students will have access to a **new NAPLAN & Selective Trial Test Course (STTC)**. The STTC will teach students how to manage their time effectively, reduce mistakes, and perform their best on the NAPLAN and selective school exams. The WEMT timetable has been revised to better align with the degree of module contents. Please check out the updated course timetable below.

2024 Year 5 Term 1 Course

13 – 25 March 2024

NAPLAN tests

29 March – 1 April 2024

Easter break (NO CLASS)

Sunday, 14 April 2024

Term 1 ends.

Year 5 WEMT Course

The Year 5 WEMT course is being updated to include new module contents. This will require students to commit to a significant amount of weekly module work, but it will help them build a solid foundation for the NAPLAN and selective school exam. The writing module will teach students how to organise their writing in the most efficient way possible, with a focus on developing critical thinking and reasoning skills. The English module will focus on reading skills, practicing reading comprehension and multiple-choice questions. The mathematics module is essential for students to thoroughly understand mathematical theories, principles, and formulas to solve problems. The thinking skills module will cover a variety of practical, challenging, and mind-stimulating questions in problem solving and critical thinking skills. Students can choose one of the following WEMT courses according to their needs:

Standard WEMT (Face-to-face learning)	Standard WEMT (Live Zoom lesson)	Cyber WEMT (Video lesson)
Face-to-face learning with teachers in class & access all Cyberschool services	Live zoom lessons from home with teachers & access all Cyberschool services	Self-paced learning from home using pre-recorded Cyberschool video lessons

NAPLAN & Selective Trial Test Course (STTC)

The term 1 NAPLAN & Selective Trial Test Course is a new comprehensive program designed for Year 5 students to prepare them for both NAPLAN and Selective High School Placement Test (SHSPT).

In Term 1, there will be a six-week NAPLAN trial test period from 27 January for the 2024 NAPLAN tests, followed by five-week selective trial test sessions from 9 March, to prepare students for the 2025 selective school exam. The tests will be conducted in a computer-based format (CBT) requiring students to use computers provided in the classroom.

By taking this trial test course, students will be able to practise NAPLAN & SHSPT style questions under exam conditions and learn how to manage their test time efficiently, minimise errors, overcome exam nerves and perform at their optimum level in the actual exam. It will help them to build their confidence to succeed in both 2024 NAPLAN and the 2025 selective high school placement tests.

For full details, please read the [2024 Term 1 NAPLAN & STTC newsletter](#).

Thinking Skills Advanced Course (face-to-face)

The "Thinking Skills Advanced" Course is specially designed to foster the development of problem-solving and critical thinking abilities, equipping our students with the necessary skills for success in their academic journey and ultimately, for the selective high school placement test. With a comprehensive focus on preparing them for the selective exam thinking skills component, the course will cover a diverse array of essential topics.

Course Overview:

- The course aims to provide students with the tools and techniques to approach challenges with confidence and creativity.
- Through engaging activities and thought-provoking exercises, our dedicated teacher will guide the students on their path to becoming proficient critical thinkers.
- Students will learn effective problem-solving skills to tackle complex issues in various subjects.
- Students will be encouraged to analyse, evaluate, and draw reasoned conclusions from the information they encounter.
- As students develop their thinking skills, they will gain confidence in their abilities to excel academically.
- The course is open to Year 5 and 6 students who are aiming for the selective school placement and will cover essential topics to equip them with the necessary knowledge for the thinking skills test.

- Additional surcharge** will apply to all credit card payments. We only accept VISA and Mastercard.
- Online Payment** is available on Cyberschool for all fees **except** sibling discounts. Check the instructions [HERE](#).

Thinking Skills Advanced **Zoom** Course

The "Thinking Skills Advanced Zoom Course" is offered as an online program conducted through Zoom. It is a specialised curriculum designed to enhance students' problem-solving and critical thinking abilities. This course will provide them with the essential tools required for achieving the best scores in the upcoming thinking skills test of the selective school exam.

Course Highlights:

- Develop Crucial Thinking Skills:** The course is dedicated to empowering students with the confidence and creativity to confront challenges head-on. Our dedicated teacher will guide students through engaging activities and exercises, nurturing their proficiency as critical thinkers.
- Convenient Learning:** The course is delivered on **Thursday and Friday (5 pm – 7:10 pm) via Zoom and E-book (softcopy) materials**, allowing students to choose their session and comfortably learn from their homes. They can find the Zoom link from the "My Courses > Thinking Skills > Live Lesson Link" menu on Cyberschool.
- Effective Problem Solving:** Students will learn valuable problem-solving techniques, enabling them to navigate complex issues across various subjects.
- Analytical Thinking:** We'll encourage students to analyse, evaluate, and derive reasoned conclusions from the information they encounter, fostering confidence in their thinking skills.
- Ideal for preparing for the Selective School Thinking Skills Test:** The course is open to Year 5 and 6 students who are aiming for the selective school placement and will cover essential topics to equip them with the necessary knowledge for the thing skills test.

Lesson Materials:

- Students download their E-book material for each week's lesson in advance. The material will be accessible for download starting on Saturday via the "Material" menu on Cyberschool.
- Hard copy materials will not be provided to the online thinking skills course students.

- **Please note that hard copy materials will not be provided to the Thinking Skills Zoom Course students.**

Year 5 Writing Course (Wednesday)

The aim of the Year 5 Writing course is to improve students' technical and imaginative writing skills. The course has a personalised approach to cater to each student's specific writing needs, which fosters confidence, competence, and expertise in writing. This program will aid students in improving their writing skills for all written assignments at school, as well as writing exams for NAPLAN, selective high school and independent school scholarship exams.

Emphasis will be placed on narrative, information report, poetry, diary, persuasive writing skills, including grammar, spelling, and punctuation, which are crucial components of the course curriculum. Additionally, students will be encouraged to apply their knowledge to create meaningful and coherent sentences in their writing exercises.
