Term 4 Cyberschool Service will be available until 6th January 2025.

DISCLAIMER: DETAILS OF THE SERVICE SUBJECT TO CHANGE WITHOUT PRIOR NOTICE.

How can I get my Cyberschool account?

1. Go to www.cyberschool.com.au.
2. Click 'Register' on the top right corner of the main page.

3. Enter your student id number, date of birth and email address in the registration fields. Click the 'Submit' button.
4. Once you have submitted, you will be given a verification email, where it will contain the activation link.
5. Check your email inbox to find the verification email from the Cyberschool team. If you can't find it in your inbox, check the junk folder. It will be there, if so, unmark it as junk.
6. Click on the activation link. If the link doesn't work, copy and paste the link into the address bar of your internet browser and press the enter key.
7. The link will open a window for password creation (Sign Up) page. Enter your desired password twice in the following fields and click Submit.
8. Once registered, you will be logged into the site. The login status bar is located on the top right of the page which looks like Fig 1 below. If you want to log out, click 'Logout'.
9. Next time you want to log in, click 'Login' and enter your student number and password.

What is Weekly Homework Question?

For more practice on Critical Thinking and Problem Solving, students will be able to attempt additional questions as a homework every week.

The weekly homework questions will expire after the term finishes. Please note the date and remember to access them when available.

How to Complete Homework Question

1. Go to 'Online Homework' below 'MY COURSES > THINKING SKILLS' on the menu bar.

2. [Fig. 1] Click 'Start' button on the subject you want to attempt.

Read the instructions and when you are ready, click 'Start'. The quiz questions will appear on the screen. When you finish all the questions, click the 'Finish' button at the bottom right corner.

3. [Fig. 2] Test results and review service are accessible at 'My Result' menu as well.

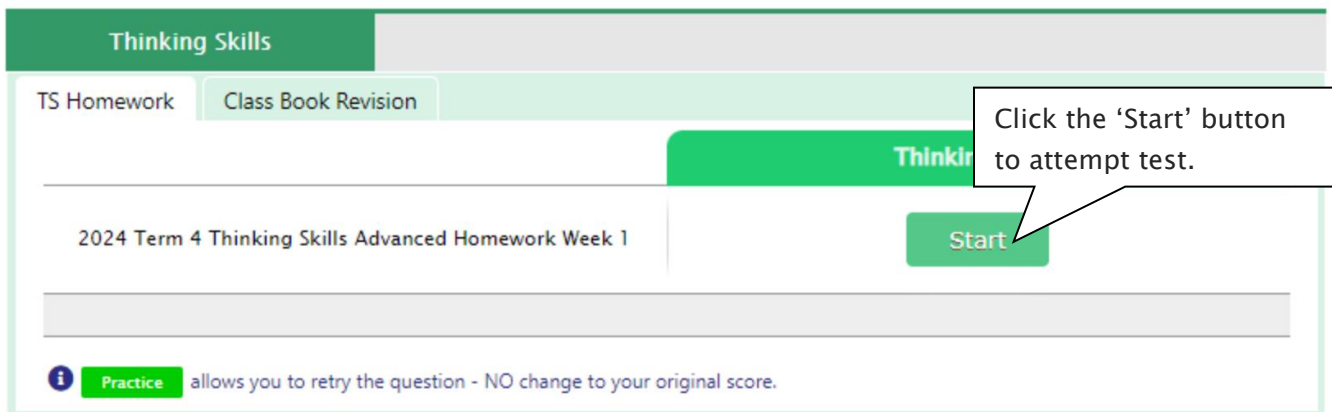

If the test mark is '0', 'Re-Test' button will appear to reset the test.

Reattempting test is available by clicking 'Practice' button next to the 'Test Review'. This will not affect to the original score.

What is Class Book Revision?

For further enrichment in revisiting and mastering course content, students will have the opportunity to attempt a revision test based on the class book each week after lessons. These class book revision tests are designed to reinforce the week's learnings and assess the students' grasp of the covered material.

The class book revision tests will expire after the term finishes. Please note the date and remember to access them when available.

How to Complete Class Book Revision

1. Go to '**Online Homework**' below '**MY COURSES**' > '**THINKING SKILLS**' on the menu bar.

2. [Fig. 1] Click 'Start' button on the subject you want to attempt.

Read the instructions and when you are ready, click 'Start'. The quiz questions will appear on the screen. When you finish all the questions, click the 'Finish' button at the bottom right corner.

3. [Fig. 2] Test results and review service are accessible at 'My Result' menu as well.

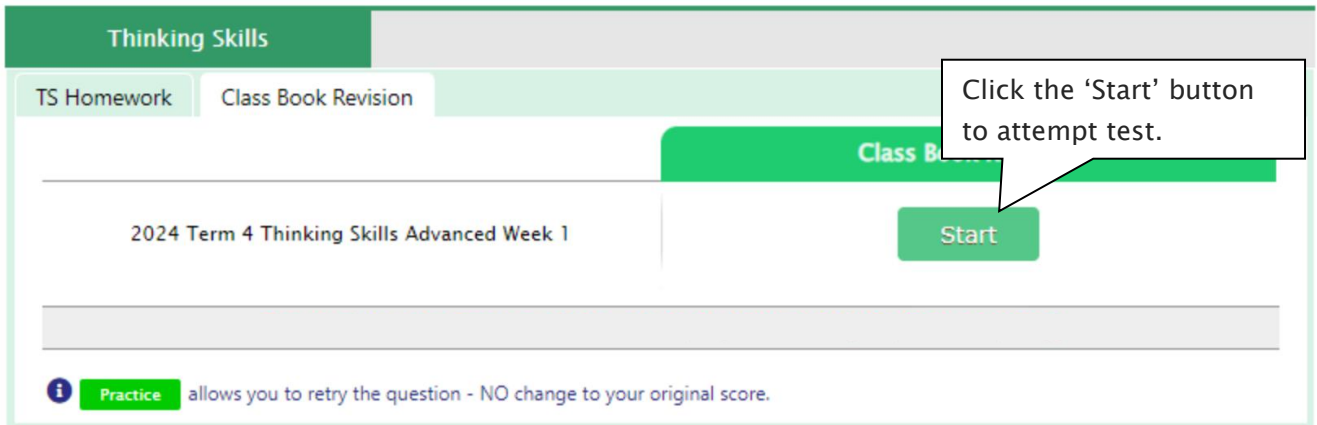

If the test mark is '0', 'Re-Test' button will appear to reset the test.

Reattempting test is available by clicking 'Practice' button next to the 'Test Review'. This will not affect to the original score.

What is the Online Term Test?

Thinking Skills course students will take the term tests in week 8 of each term. Term test is for assessment and subsequent reporting. Students must complete the within the test opening period as there will be NO catch-up test available after the test period.

Term test reports will be sent out to the parents by email at the end of the term. The report contains the information about test score, achievement level (position), performance on each category component of thinking skills subject.

How to Complete the Online Term Test

1. Go to '**TERM TEST**' on the menu bar.

2. Click 'Start' button to begin the test. Read the test instruction and when you're ready, click 'Start' at the bottom of the screen.

3. Read each question carefully and show your answer using the mouse.

4. When you completed the test, click 'Finish' button at the bottom right corner.
