## Welcome to Pre-Uni New College Cyberschool!

Cyberschool is a special e-learning website ([www.cyberschool.com.au](http://www.cyberschool.com.au)) hosted by Pre-Uni New College and provides the extensive educational services to help students revise their entire Pre-Uni New College class work. Students can register for their own Cyberschool account to access its services.

Services vary depending on the course registered, and each service has its due date so students should enjoy all provided services until expiry as there is no extension.

Once registered Year 4 WEMT Course, students can:

**What is Live Extra Support Lesson?**

To boost WEMT learning, Year 3–5 WEMT course students (both Standard and Cyber options) will be able to attend bonus online live lessons (**Tuesday: English / Wednesday: Maths / Thursday: MR&TS, Weeks 1 – 10**) alongside regular WEMT class and video lessons. The lesson link will be activated when the designated session’s lesson starts (10 minutes before the lesson start time).

The purpose of these live lessons is to provide **free additional explanations** on topics that may require further clarification after the main lesson with the teacher. Due to **time constraints, not all questions or problems will be addressed** during these sessions. For more detailed explanations, students are encouraged to watch the prerecorded lessons available at Video Lesson.

**How to Attend Live Extra Support Lesson**

1. Go to ‘Live Extra Support Lesson’ below ‘MY COURSES > WEMT’ on the menu bar.
2. [Fig. 1] Click the ‘Join’ button to attend the lesson. Button will be activated when the lesson starts (10 minutes before the class starts).

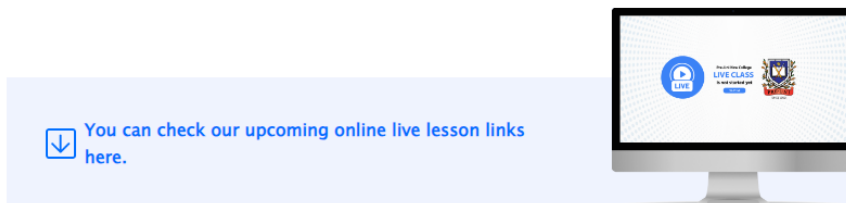

[Fig. 1]

**Live Extra Support Lesson**

**This live lesson** is specifically designed to provide additional support and in-depth explanations for students who may need extra help understanding the material.

While the main lessons are conducted with your class teachers, this supplementary lesson offers a chance to revisit challenging topics, clarify any doubts, and reinforce your understanding.

2024-T4

**What is S.O.Q?**

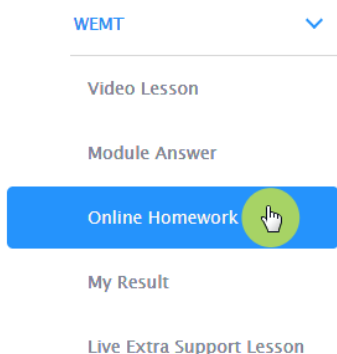

The **S.O.Q** (Special Online Quiz) service will enable students to practise their revision questions online at their own pace.

4 quizzes will be uploaded in weeks **2** (Modules 1&2), **4** (Modules 3&4), **6** (Modules 5&6) and **8** (Modules 7&8) of the course. Each quiz will have 10 Maths, 10 English and 10 Thinking Skills questions. Complete all S.O.Q is strongly encouraged for students, as these quizzes are helpful to build up a solid foundation in each area.

The **Special Online Quiz** will expire after the term finishes. Please note the date and remember to access them when available.

**How to Do S.O.Q**

1. Go to ‘**Online Homework**’ below ‘**MY COURSES**’ > **WEMT**’ on the menu bar.

2. [Fig. 1] Click ‘**Start**’ button on the subject you want to attempt.

Read the instructions and when you are ready, click ‘**Start**’. The quiz questions will appear on the screen. When you finish all the questions, click the ‘**Finish**’ button at the bottom right corner.

3. [Fig. 2] Test results and review service are accessible at ‘**My Result**’ menu as well.

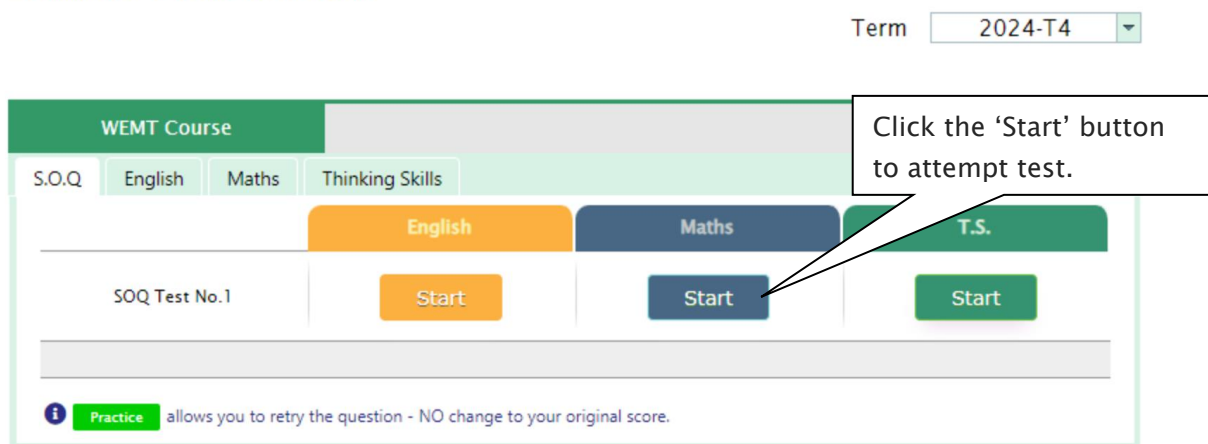

If the test mark is ‘0’, ‘**Re-Test**’ button will appear to reset the test.

Reattempting test is available by clicking ‘**Practice**’ button next to the ‘**Test Review**’. This will not affect to the original score.

4. [Fig. 3] S.O.Q completion chart will be included on the Term Test Report, so please finish all tests by Week 9 of the term.

### What is Vocabulary Test?

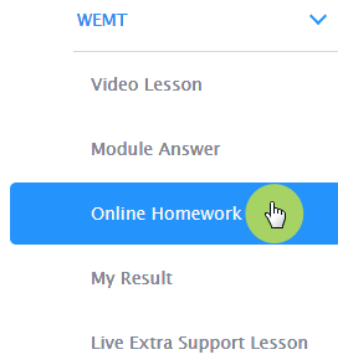

Building a strong vocabulary is critical as it improves all areas of communication and leads them to succeed in future selection tests like OC and selective high school exam. Students with high vocabulary skills tend to have high comprehension scores in English and thinking skills tests.

For these reasons, Cyberschool is offering students the online vocabulary test each week. Students thoroughly study the Vocabulary Skills module during the week and take the test to assess their knowledge of the meaning and use of those words.

The **Vocabulary Test** will expire after the term finishes. Please note the date and remember to access them when available.

**How to Do Vocabulary Test**

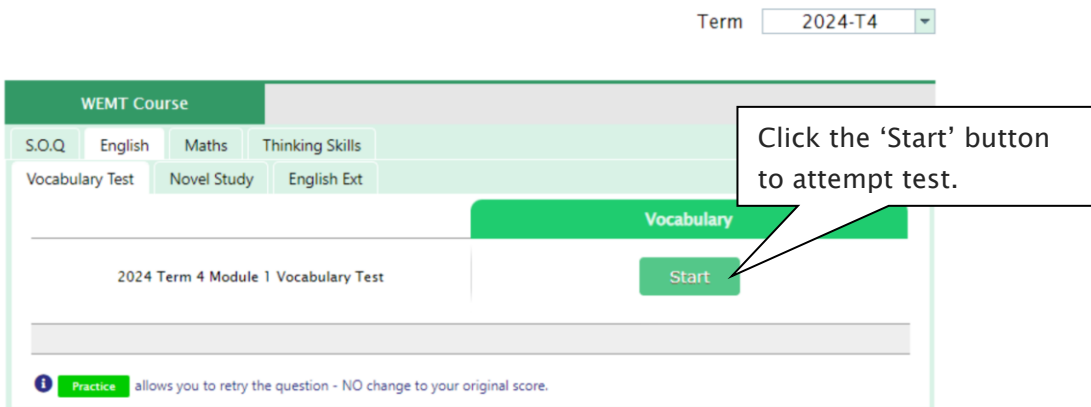

1. Go to 'Online Homework' below 'MY COURSES > WEMT' on the menu bar.

2. [Fig. 1] Click 'Start' of each module's test.

**What is TS/MR Homework Question?**

For more practice on Mathematical Reasoning and Thinking Skills, Year 4 WEMT course students will be able to attempt 7 questions each as a homework every week until Week 10. The **TS/MR Homework Question** will expire at the end of every term. Please note the date and remember to access them when available.

Five (5) sets of revision tests will open during the designated period after term finishes, to support our WEMT students’ continuing studies. These revision tests are designed to help students revise the previous mathematical reasoning and thinking skills topics and prepare for their next term WEMT studies.

**How to Complete Homework Question**

1. Go to ‘**Online Homework**’ below ‘**MY COURSES > WEMT**’ on the menu bar.

Read the instructions and when you are ready, click ‘Start.’ The questions will appear on the screen. When you finish all the questions, click the ‘Finish’ button at the bottom right corner.

**What is Novel Study and English Extension Homework?**

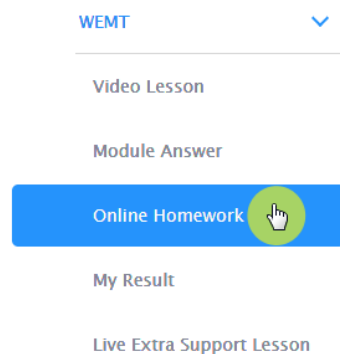

For more practice on English, Year 4 WEMT course students will be able to attempt additional module questions of Novel Study and English Extension as a homework during the term.

Each **Novel Study** module questions will be posted on Saturday, and available to complete until the end of the next holiday course period. Each module corresponds to the chapter(s) of the respective module of the WEMT Novel book. Students will be tested Comprehension, Quotes, Verbal Reasoning, Language and Vocabulary questions.

**English Extension** homework will be posted on Saturday, on Weeks 2–9, and available to complete until the end of the next holiday course period. Practice questions of different text type – Reading Comprehension, Poem, Gapped Text and Multiple Matching will be helpful for students who prepare for selective high school exam.

**How to Do Novel Study & English Extension Homework**

1. Go to ‘**Online Homework**’ below ‘**MY COURSES > WEMT**’ on the menu bar.

Read the instructions and when you are ready, click ‘Start.’ The questions will appear on the screen. When you finish all the questions, click the ‘Finish’ button at the bottom right corner.

The screenshot displays the WEMT Course interface. At the top, there is a green header with 'WEMT Course'. Below it, a navigation bar includes 'S.O.Q', 'English', 'Maths', and 'Thinking Skills'. Underneath, there are tabs for 'Vocabulary Test', 'Novel Study', and 'English Ext'. The 'Novel Study' section is highlighted in green and shows a score of '5/5 (100%)'. Below the score are two buttons: 'Test Review' (blue) and 'Practice' (green). Three callout boxes provide instructions: one pointing to the score ('Click the score to view result.'), one pointing to the 'Test Review' button ('Click the 'Test Review' button for revision.'), and one pointing to the 'Practice' button ('Click the 'Practice' button to reattempt the test.'). At the bottom left, there is an information icon and a note: 'Practice allows you to retry the question - NO change to your original score.'

**What is the Online Term Test?**

Year 4 WEMT course students will take the term tests in week 8 of each term. Term test is for assessment and subsequent reporting — generating valuable feedback for students and parents, this also will be the only indicator of next term’s class allocation.

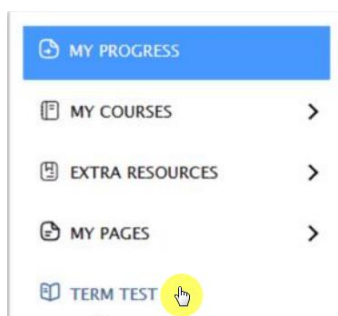

Students must complete all tests within the test opening period as there will be NO catch-up tests available after the test period.

Term test reports will be sent out to the parents by email at the end of the term. The report contains the information about total marks, achievement level (position), comprehensive comments on each test component and students’ Special Online Quiz (S.O.Q) scores. Students must complete all S.O.Q by Week 9 to make the scores available on their report.

Students can access the term test review service during the first week of each school holiday period and review the (max 10) Maths and Thinking Skills term test questions they missed. They are encouraged to revise all questions it provides and build up a solid foundation before their next term’s studies.

**How to Complete the Online Term Test**

1. Go to ‘TERM TEST’ on the menu bar.

2. [Fig. 1] You will then see the test subjects and start buttons like below. Click ‘Start’ button to begin the test. Read the test instruction and when you’re ready, click ‘Start’ at the bottom of the screen.
3. Read each question carefully and show your answer using the mouse.
4. When you completed the test, click ‘Finish’ button at the bottom right corner.
