Get Ready for the 33rd ASAT (7th April)

We're thrilled to announce that the 33rd ASAT schedule has been finalised and it will take place on Sunday, 7th April 2024. This highly demanding assessment event is designed to help Year 6 students prepare for the upcoming 2024 Selective High School Placement Test, offering valuable insights into their strengths, weaknesses, and standing among thousands of their peers. Here's what you can expect from ASAT:

➤ Immerse your child in a simulated selective exam experience:

ASAT replicates the actual selective exam setting, including the test format, timing, and pressure. The test is timed to match the actual exam duration, allowing your child to practice managing time effectively under pressure. This familiarises your child with the exam day atmosphere, reducing anxiety and improving focus.

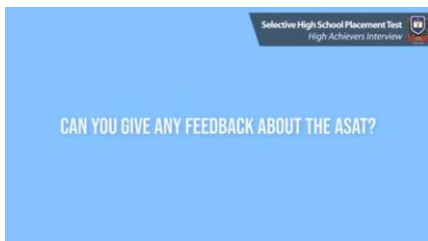

➤ Tackle realistic selective exam-style questions within the same challenging exam conditions.

ASAT questions replicate the complexity and cognitive demands of the actual selective exams, providing a realistic measure of your child's preparedness. The tests feature diverse question styles and difficulty levels, mirroring the actual selective exams, and are aligned with the latest selective exam, ensuring your child practices relevant and up-to-date material.

➤ Receive In-depth outcome reports providing actionable insights.

The reports provide individualised analysis of your child's performance, highlighting strengths and weaknesses in specific subject areas and question types. You'll receive the comprehensive outcome reports, showing how your child's performance measures up against other students, offering practical suggestions for selective school choices.

Gain insights from testimonials [HERE](#) shared by students who have benefited from ASAT.

By offering these unique benefits, ASAT helps you and your child gain valuable insights into their preparedness for selective exams and provides essential practice in a realistic setting, ultimately maximising their chances of success.

High Demand Alert!

To best serve the large number of students eager to participate in the 33rd ASAT, we're handling all inquiries through our email: asat@newcollege.com.au or [online enquiry form](#) only.
