2026 Term 1 begins on Saturday, 24th January.

Year 1 (in 2026) Term 1 course has been designed to ensure that students meet the high academic standards expected at the time of the year.

By attending our course, students will reinforce the foundations of their learning and get ahead of their peers.

In addition to having the advantage of getting ahead, students will be introduced with a **new general ability (G.A) module** to develop their general ability skills. as well as reading, conventions of language and numeracy skills for their future exams such as NAPLAN and OC placement tests.

A new Friday EMG class will be available from Term 1. Please review the new EMG course timetable below.
