## 2026 Winter Holiday Course Information

Make the most of the winter break with our winter holiday courses, designed to strengthen core academic skills and prepare students for the term ahead. Each course fosters confidence and mastery in key subject areas through structured learning and engaging activities.

### Year 3 Winter EMT Course (WEEK 1: 6 – 10 July)

A strong start to the term is essential for academic success, particularly for students preparing for the 2027 opportunity class (OC) placement test. We understand the value of building both skills and confidence during the school holidays to ensure students are well-equipped for the challenges ahead.

Our Winter Holiday EMT course provides targeted learning, helping students reinforce key concepts and strengthen their understanding. By enrolling in the holiday EMT course, students can not only excel in the upcoming term but also lay a solid foundation for their OC placement test preparation.
