2026 Spring Holiday Course Information

Year 5 Intensive Selective Trial Test Course

Spring Holiday STTC – Give Your Child the Skills and Confidence to Excel.

Help your child step into next year's selective school exam with confidence through our holiday intensive Selective Trial Test Course (STTC). This program is designed to strengthen core exam skills, build familiarity with the **computer-based** test environment, and equip students with the strategies they need to perform at their absolute best.

The STTC provides a structured learning experience that mirrors the real selective school exam. Through daily simulated tests and targeted review sessions, students improve accuracy and learn to manage time effectively under exam conditions.

- Course Name: Year 5 Spring Intensive Selective Trial Test Course (STTC)
- Course dates: 28 September – 2 October 2026 (Monday – Friday)
- Class time*: 8:30am - 3:30pm
- Class location*: Strathfield Head Office (5 The Crescent, Strathfield)
- Course Fee: \$ 800

Key Course Highlights:

- ✓ **Realistic Exam Practice:** Students complete computer-based trial tests that closely replicate the actual selective exam format. This helps them become comfortable with the digital test interface.
- ✓ **Comprehensive Test Coverage:** Each day includes a complete set of trial test sessions, covering all selective exam components: Reading, Writing, Mathematical Reasoning, and Thinking Skills.
- ✓ **Expert Review & Targeted Feedback:** Teachers and tutors lead students through detailed post-test reviews that pinpoint mistakes and strengthen conceptual understanding.
- ✓ **Skill Development for High Performance:** With repeated exposure to timed conditions, students learn to pace themselves, avoid common errors, and apply effective problem-solving strategies - essential skills for achieving top results.

2026 Spring Holiday Course Information

Year 5 Spring EMT Course (6 – 9 October)

Give your child the advantage they deserve with a strong and confident start to the new school term. As students move closer to their selective school exam year, every opportunity to strengthen core skills becomes increasingly important. A solid foundation in English, Mathematics, and Thinking Skills not only supports classroom success but also plays a crucial role in achieving top results in selective school placement tests.

We recognise that the break between terms is an ideal time for students to consolidate their learning without the pressure of regular schoolwork. By focusing on both skill development and confidence building, this program ensures students return to school feeling prepared, motivated, and academically strong. Students will engage in structured lessons, targeted practice, and exam-style activities across the three major subjects. This focused preparation not only supports success in the upcoming term but also lays the groundwork for the selective school exam next year.

- Course Name: Year 5 Spring EMT Course
- Course dates: 6 – 9 October 2026 (4 days: Tuesday – Friday)
- Class time: 8:45am – 2:45pm
- Class location*: Strathfield Head Office (5 The Crescent)
- Course Fee: \$ 385
- **Early Bird Payment Price: \$355 (available until Saturday, 19 September 2026, 5 PM)**

Why This Course Matters:

- ✓ Students revise and strengthen essential skills across three core subjects.
- ✓ Lessons and activities are aligned with the skills required for the selective school placement test, making this course a valuable early preparation step.
- ✓ Students benefit from a structured, supportive learning environment that encourages focus, motivation, and academic growth.
