

## The 2023 OC Scholarship for WEMT & STTC

Students who have achieved the minimum calculated band score\* from the 2023 OC placement test, are eligible to apply for the WEMT and STTC OC Scholarship discounts. Please be aware of the updated scholarship offer conditions below.

### **Conditions of the 2023 OC Scholarship for WEMT & STTC**

1. To be eligible for the OC scholarship, students must meet the minimum calculated band score\*, which is determined by the college based on a combination of their OC test performance bands and the OC school they have been offered.
2. To complete the OC scholarship application, students must submit their 2023 OC outcome screenshot and test performance report through the designated OC Scholarship Application [website](#).
3. The deadline for students to apply for the OC scholarship is **6<sup>th</sup> July 2024**. Late application, incomplete application and handwritten application will not be accepted.
4. When you are approved for the scholarship, it will be valid starting from the next term that is available for enrolment. This benefit will continue until the deadline for early bird payments for Term 1, 2025.
5. The scholarship discount applies to the full-term payment for regular term standard WEMT/STTC and holiday STTC only, provided that the payment is made **by the early bird payment due date**.
6. The scholarship covers tuition fees only and does not apply to material (textbook) fees.
7. The scholarship cannot be combined with any other discount offer, including early bird, full-term, sibling discounts, WEMT+STTC package discount, or any other scholarship discount offer.
8. Pre-Uni New College may use students' OC outcomes anonymously and disclose relevant statistics for educational and promotional purposes.
9. Throughout the scholarship offer period, students are expected to demonstrate reasonable effort and commitment. Any behavioural issues or significant decline in performance may lead to the cancellation of the scholarship.
