### Conditions of the Selective Scholarship Discount:

1. The scholarship discount will be valid from the next available term for enrolment after approval, but no earlier than Term 1 2025, and will continue until the end of Term 4, 2027.
2. The scholarship discount applies to the full-term payment for regular term or holiday standard courses, provided that the payment is made by the early bird payment due date.
3. The scholarship covers tuition fees only and does not apply to material (textbook) fees.
4. This scholarship cannot be combined with other discounts, including early bird, full-term, sibling discounts, or other scholarship offers.
5. Students must have their photo IDs uploaded to the College's Students Management (NCMG) system
6. Pre-Uni New College may use students' selective school placement outcomes anonymously and disclose relevant statistics for educational and promotional purposes.
7. Throughout the scholarship offer period, students are expected to demonstrate reasonable effort and commitment. Any behavioural issues or significant decline in performance may lead to the cancellation of the scholarship.
8. The college reserves the right to change these conditions at any time without prior notice.
