

KNOW WHERE YOUR CHILD STANDS

Selective preparation becomes clearer when you see your child's current position with confidence.

Don't guess. Start with data.

A Test Score Alone Is Not Enough

Parents need more than a mark. They need to know how their child compares, what level they are at, and what schools may be realistic.

STTC Helps You Track Your Child's Position

Students who join STTC receive an updated Selective High School Choice Reference after every test.

Updated after every STTC test

Selective High School Choice Reference

- Your Progress
- Compare with Latest Data
- Gender Benchmark

See More Than Just A Score

The report helps families understand their child's score, band, school options, and comparison data.

- Your score and band
- School choice reference
- Comparison with the latest data
- View by gender

Plan School Choices With More Confidence

Instead of guessing, parents can use updated data to understand possible school options and make better decisions. Compare. Understand. Plan ahead.
